Here is an invitation to share the magic of baking bread with children, and everything you need to get started: all the bread basics for beginners and a variety of delicious recipes, cleverly seasoned with stories, songs and blessings to make the whole process really enjoyable for everyone.

This practical and inspirational guide for parents and teachers offers:

- Techniques and tips for making bread
- Sweet and savoury recipes for quick breads, yeasted breads and sourdoughs, wheat-free recipes, seasonal festival breads, and even some clever ideas for making the most of stale or leftover bread
- Complete instructions for building and using a wood fired bread oven
- Secret message buns, bread sculpture and other baking projects
- Baking at nursery, kindergarten, and school
- An overview of the seven grains; nutrition; wheat sensitivities, allergies and coeliac disease

'Warren Lee Cohen is a master baker. He has created a book of marvellous recipes together with a mosaic of stories and songs to involve children in

this alchemical process.'

Wendy E. Cook, author of *Foodwise* and *The Biodynamic Food and Cookbook*

'Baking bread at home is a wonderful thing to do and becomes a profound experience for all involved when shared with children. This delightful book provides the ideal guidelines and inspiration. I strongly recommend it!'

Mollie Katzen, author of *The Moosewood Cookbook*

WARREN LEE COHEN has over 20 years of experience baking bread with children, building bread ovens and teaching bread workshops. He is the author of the children's book, *Dragon Baked Bread*, published by Steiner Books.
